Allowable Subject Matter

Claims 1 and 4-6 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 1 and 4 recite an airbag with a specific relation between the combination of the instrument panel opening and a portion of the airbag skin where the airbag skin is the sole closure of the opening. None of the prior art shows this combination of features and none of the prior art can be reasonably modified to achieve this combination of limitations. Claims 5 and 6 are dependent upon claims 1 and 4.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
